EXPERIENCE

FullStack Web Developer
Cinéphoria - Full Remote
2024

Complete design, development and deployment of the Cinéphoria web application (MERN stack), implementation of a microservices architecture, setup of a secure authentication system, development of RESTful APIs, integration of SQL and NoSQL databases, implementation of a testing strategy including unit, functional and integration tests, configuration of the CI/CD pipeline, deployment on cloud infrastructure, setup of monitoring and logging, design and development of the mobile application (React Native) and desktop application (Electron), agile project management, creation of the graphic charter, design of mockups and wireframes for a consistent user experience across all platforms.

Project Manager/Creative Director
VADF/Navir - Paris 20th (75)
2024

Co-creation of Navir's e-commerce website (total overhaul of V1, integration on WordPress), maintenance of Navir and VADF's e-commerce websites, creation of content for the VADF brand, implementation of Navir's graphic charter, mentoring of our digital communication intern.

Digital Consultant
Exaduo - Malakoff (92)
2022

Implementation of the CRM solution (HubSpot) in Exaduo's client environment (configuration, training, communication), measuring the results of actions taken and providing regular reporting to the manager.

General Manager/Digital & Communication Manager
J'imagine Hier (Ecommerce) - Sceaux (92)
2020

Web Development
Conception and development of the entire website: design and architecture of the site, development of the site (HTML, CSS, Javascript) on WordPress and deployment (O2switch, cPanel), creation of content, technical integrations (SMTP protocol, PHP), deployment of a CDN (QUIC.cloud), compliance with regulations (cookies, legal notices, privacy policy, TOS, T&C), anti-spam solution, maintenance and monitoring.

Communication & Webmarketing
Web writing, creation and animation of social media (Instagram, Facebook, LinkedIn), implementation and management of social media strategy via Meta Business Suite (Facebook and Instagram Shopping, editorial calendar, advertising), deployment of a monthly newsletter (Sendinblue).

English: Fluent   Swedish: Basic notions
